
Something from the Heart

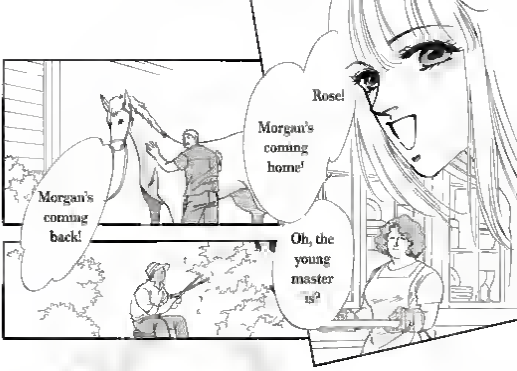
Kazuko Fujita

Original Text by Amanda Browning

To the time when Morgan hadn't misunderstood me and I hadn't even realized my feelings yet
I wanted things to go back to the way it was

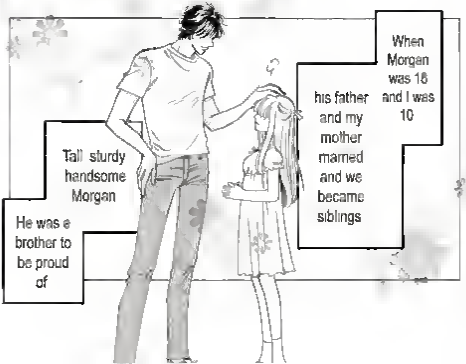
When did Leigh become like that? Or, has she always been one ...?
A greedy bimbo

Morgan is?
Are you serious, Daddy? When?
Next week.
Leigh
Morgan's coming home.
Blaydon, England
Leigh, what about breakfast?
Leigh!
I have to tell Rose and clean the house!
Next week! Next week!

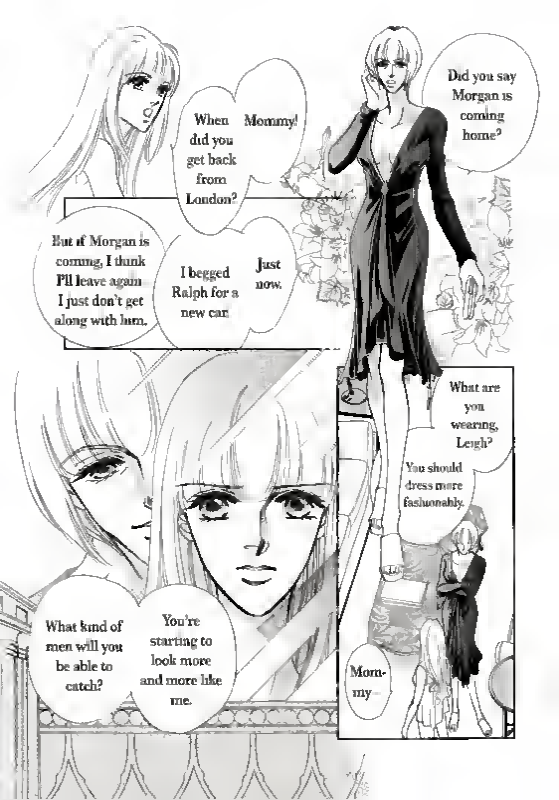


Rose!
Morgan's coming home!
Morgan's coming back!
Oh, the young master is?

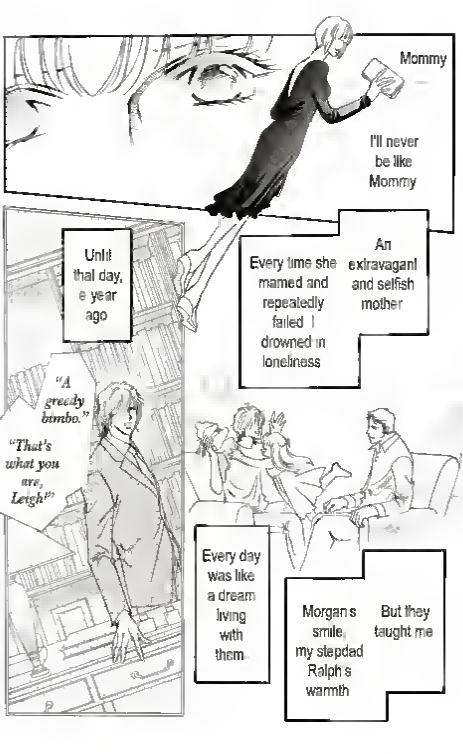
Morgan



When Morgan was 18 and I was 10
his father and my mother married and we became siblings
Tall sturdy handsome Morgan
He was a brother to be proud of



Did you say Morgan is coming home?
Mommy! When did you get back from London?
Just now. I begged Ralph for a new car
But if Morgan is coming, I think I'll leave again. I just don't get along with him.
What are you wearing, Leigh?
You should dress more fashionably.
Mommy
You're starting to look more and more like me.
What kind of men will you be able to catch?



Mommy
I'll never be like Mommy
An extravagant and selfish mother
Every time she married and repeatedly failed I drowned in loneliness
Until that day, a year ago
"A greedy bimbo."
"That's what you are, Leigh."
But they taught me
Morgan's smile, my stepdad Ralph's warmth
Every day was like a dream living with them

Rustle
Rustle
Morgan...
Do you still misunderstand me...?
Clack
Clack
Clack
Clack
Leigh...

He'll be surprised by how beautiful you've become.
It's been a year.
Oh, stop it.
Yes, Toby.
I hear Morgan's coming back.
I look just like my mother
Laugh
It's inevitable daughters look like their mothers.
But everybody knows you are different people.

You are!
Who? Who is it? Is it someone I know?
I... I'm not going to tell you.
Toby
Are you in love?
What?
That's very corny
The glimmer in your eyes belongs only to you
Oh
Morgan!

Welcome home.
Yeah, hi.
Morgan. Welcome home.
Hey, Toby
He won't look at me.
How long is your break for?
He's not here on holiday, Toby.
Morgan's starting a job in the country.
Really?

I've started an architectural design firm in London.
I was thinking about setting up an office here, as well
We can live together again, Daddy.
It will be so cheerful here!
Yes, that's true.
Daddy!
You can have Morgan all to yourself, Leigh
I'm going to rest until dinner
Call me if you have any legal issues!
Let's have dinner sometime soon.
Bye!

He's been living apart from his only son for such a long time.
He's been lonely.
Dad's gotten thinner
Hmph
That's why I came back.
Is your next target Toby?
Rustle
Target?

So he s still misunderstanding me
Similar to that man from a year ago.
Toby is from a wealthy family
Gerald had a wife
Please, stop.
One year ago,
when my mother Yuna hosted a house party
Baby
one of the guests, Gerald Vills was stalking me
I was so distressed
I couldn t fight him with force and I didn t want to cause a fuss
So I did a little acting

I'm not a cheap woman.
What do you want, darling?
The diamond bracelet your wife was wearing,
it's very beautiful
What? Oh, that?
You're the spitting image of Yuna.
That was horrible
Just hold on.
All right.

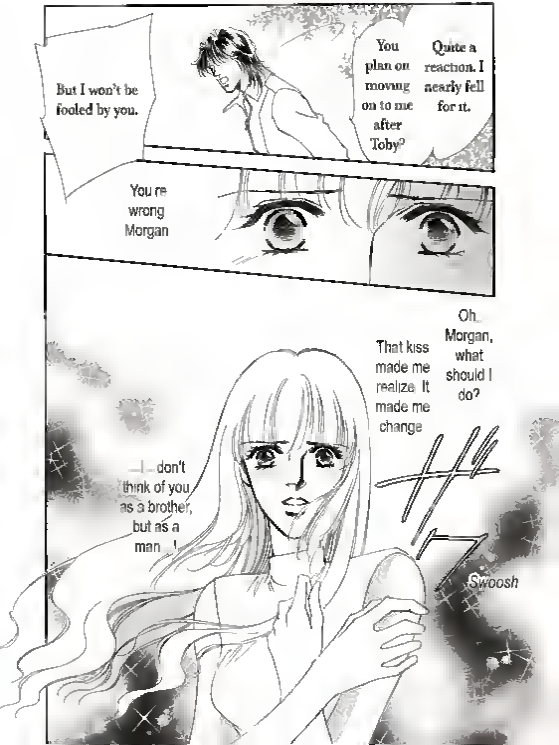
Morgan!
I was stupid to think that you were only physically similar to your mother
A greedy bimbo. That's what you are, Leigh.
You've got it all wrong, Morgan!
It was all an act.
I gave the bracelet back to his wife and told her the truth
She was shocked but she wrote me a letter of gratitude after the divorce.
You have to believe me, Morgan!

I guess you learned how to make up excuses from Yuna, as well.
Did she teach you how to get into Toby's bed, too?
Hmph
Slap
Please, Morgan. Don't categorize me with my mother.
Look at me properly.
Toby's my friend.
I won't forgive you if you do anything to him.
Toby's my good friend, too.
How dare you!
But you are the same.

Mommy, to Morgan?
The look you gave Gerald Vilis when you seduced him...
was exactly the same as Yuna's when she came on to me.
How could she...!
Dad wasn't enough for her
She had her eyes on my fortune, as well.
Of course I rejected her, quite clearly.

Swoosh
Ahh!
Seductive eyes, manipulating voice. You two are exactly the same!
Greedy and slutty!
Grrr
Grab

Morgan?
Oh
What is this kiss
I can't refuse it...
That's it!
Slam



But I won't be fooled by you.
You plan on moving on to me after Toby?
Quite a reaction. I nearly fell for it.
You're wrong Morgan
Oh Morgan, what should I do?
That kiss made me realize. It made me change
I don't think of you as a brother, but as a man...!
Swoosh

しーん
Silence
もぐもぐ
もぐもぐもぐ
もぐもぐもぐ
Munch Munch
もぐもぐもぐ
ガタン
Clack
She really does have you wrapped around her finger
So it's always my fault?
Are you guys having a fight?
What's wrong?
What happened? Morgan, apologize to Leigh.

Mor-
gan!
What
should
I do?
I can't
keep
my
eyes off
him
I can't carry
on a
conversation
with him
Oh,
no!
No!
At this rate
it will be
even more
awkward.
Don't think
about it!
Just act
normal!
I'm sure
he will
realize he
misunder-
stood me.

Can you type up some of the manuscript in the afternoon?
Leigh
Yes, Daddy.
Yes I'm sure
Daddy's writing a book on the history of the Fairfax family.
That's news to me.
What manuscript?
Morgan!
Everything's news to you if it's not work related.
Hmph
Sorry about that.

Morgan, let's make peace.
It wasn't even a worthwhile argument.
Then shall we kiss and make up?
Kiss?
Bam
Your lips look as though they're asking for it.
D... don't mess with me, Morgan

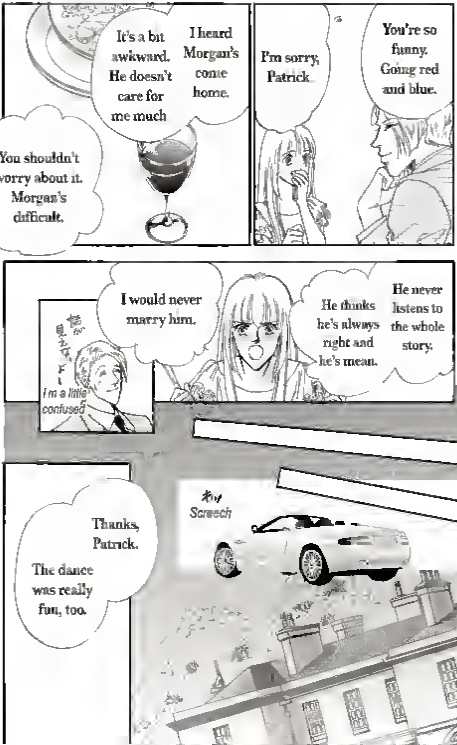
That's... not true...
Lies
I'm waiting for it.
A passionate kiss... like the other day
But unfortunately, I have no such intentions.

I'll act normal in front of Dad, don't worry
I can't believe you, Morgan !
He teased me !
Sigh

Nice to meet you, I'm Leigh.
"I'm not a cheap woman."
Morgan!
...

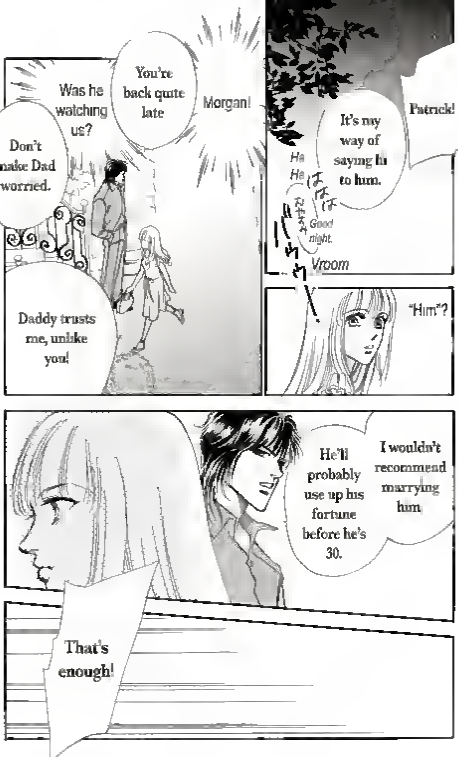
Ring Ring
It's for you, Leigh.
It's Patrick Healy
Yes.
You're going out with that womanizer?
Hmph
You really only pay attention to one aspect of people.
I'm concerned about you.
I'm nearly 21
Don't interfere!
My, my.
Fighting again?

What!
I always dreamed that you two would get married someday
Leigh
We just don't get along too well
Sorry, Daddy.
It's just me being old.
Hahaha
Sorry
Marry Morgan?
I can't possibly
...But if I...
Ha

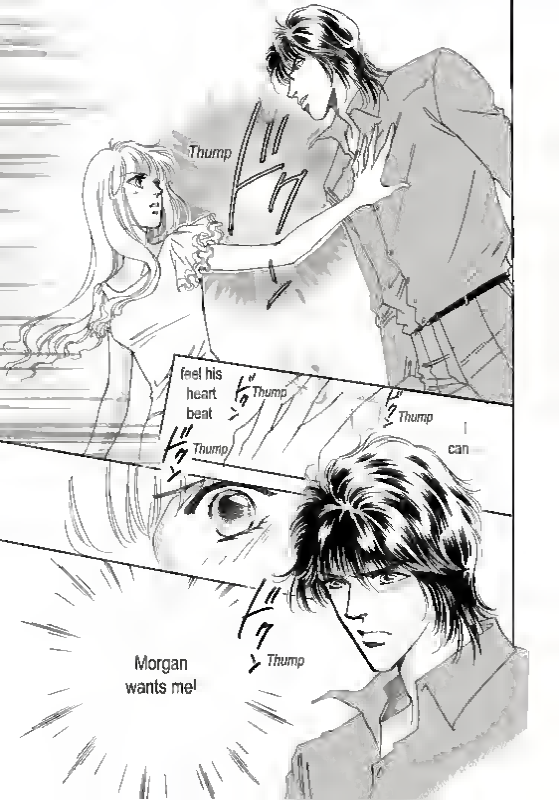


It's a bit awkward. He doesn't care for me much
I heard Morgan's come home.
You shouldn't worry about it. Morgan's difficult.
I'm sorry, Patrick.
You're so funny. Going red and blue.
I would never marry him.
He thinks he's always right and he's mean.
He never listens to the whole story.
I'm a little confused
Thanks, Patrick.
The dance was really fun, too.
Screech

Leigh.



Morgan!
You're back quite late
Was he watching us?
Don't make Dad worried.
Daddy trusts me, unlike you!
Patrick!
It's my way of saying hi to him.
Ha Ha
Good night.
Vroom
"Him"?
I wouldn't recommend marrying him
He'll probably use up his fortune before he's 30.
That's enough!

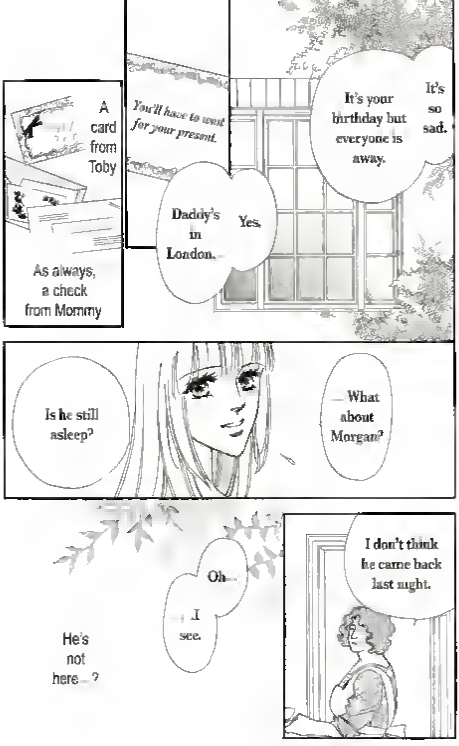


Thump
Thump
Thump
Thump
Thump
I can feel his heart beat
Thump
Morgan wants me!

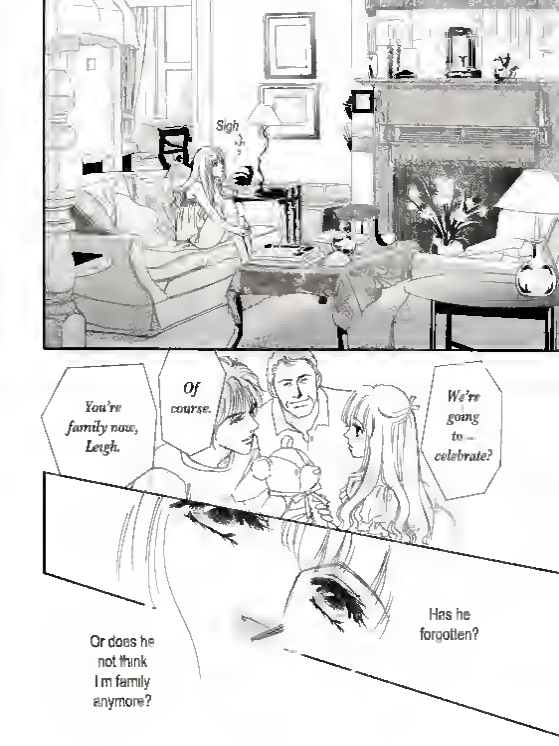
Leigh
Morgan...
Stop it...!
Slam

Sigh
Morgan...
Yeah...
The person you like is the widower Helen, Toby?
Helen?

How pessimistic!
Be more confident You'll do fine, Toby.
But she doesn't even notice me.
She has her hands full with raising her children.
My 21st Birthday
Happy birthday, miss.
Thank you, Rose.
Oh...! How cute!
I love you.



A card from Toby
You'll have to wait for your present.
It's your birthday but everyone is away.
It's so sad.
Daddy's in London.
Yes.
As always, a check from Mommy
Is he still asleep?
—What about Morgan?
Oh...
I see.
He's not here...?
I don't think he came back last night.

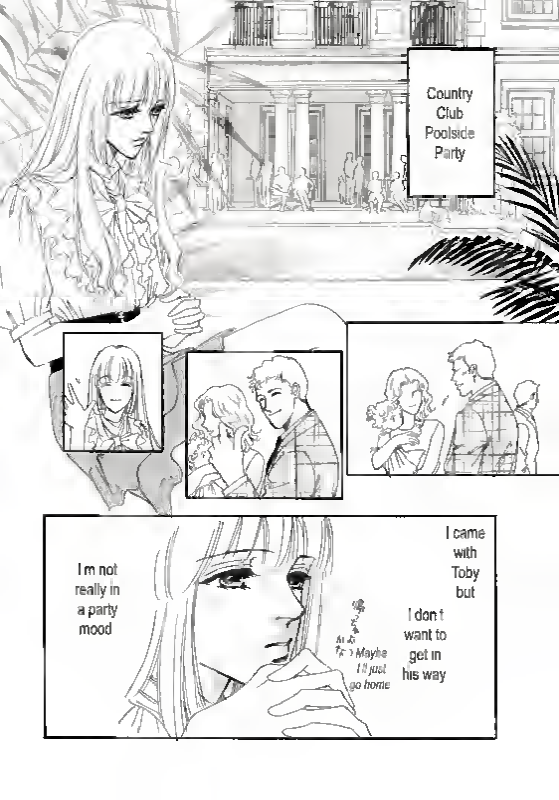


Sigh
You're family now, Leigh.
Of course.
We're going to... celebrate?
Has he forgotten?
Or does he not think I'm family anymore?

A diamond necklace!
Oh
Oh, no, I fell asleep.
Morgan!

Thus!
Thanks!
It's very beautiful!
Do you love diamonds that much?
Don't say it like that...
It's just a birthday present
Don't think it's a tribute from one of your prey.

How long do you plan on treating me like this?
I don't want it.
Rustle
Why can't you believe me?
I can't take this any more!
I hate you, Morgan!



Country Club Poolside Party
I came with Toby but
I don't want to get in his way
I'm not really in a party mood
Maybe I'll just go home

Whistle
Look at that stunning woman.
Patrick
Are you drinking?
Hey beautiful. You seem down.
Just a little bit.
Morgan!
Jealous?
Of course not.
Never!
Nice reaction.
Jealous?

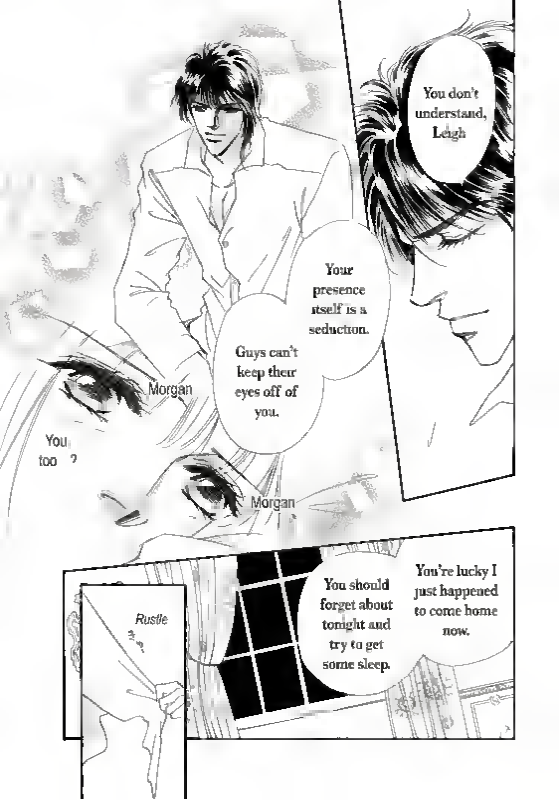
I'm not being jealous
I have no reason to be...
Wake up, Patrick
You really shouldn't have drank if you were driving
Erm...
Here's a cup of coffee
It will help you wake up.
Be quiet, everyone's already asleep.
Oh, my.

Scuffle
Where's Morgan?
I'm guessing in bed
I wouldn't know whose.
Then shall we head to bed, too?
Wha...
What are you thinking?
Stop it, Patrick.
No, I can't stop now.
Let me go!
I'm scared

This isn't like Patrick
Help me, Morgan!
I'm scared
Please
Some-one...
Slam

Morgan!
Don't ever come near Leigh again!
Eek
Are you hurt?
Morgan
Morgan...

I.
I was so... scared.
would you let someone like him into your house?
—Why
He was so... different from usual
I don't think I did anything to lead him on...
I didn't think it would be dangerous.



You don't understand, Leigh
Your presence itself is a seduction.
Guys can't keep their eyes off of you.
Morgan
You, too ?
Morgan
You should forget about tonight and try to get some sleep.
You're lucky I just happened to come home now.
Rustle

Pat
Fine.
But just until you fall asleep.

Erm Mmm.
Huh?
Mmm.
What!
I don't know! Eek! Morgan, put some clothes on!
Why are we in bed?
What's going on?
Daddy
Are you not feeling well?
It's already 10 o'clock.
What's wrong, Leith?
Knock Knock
Creak

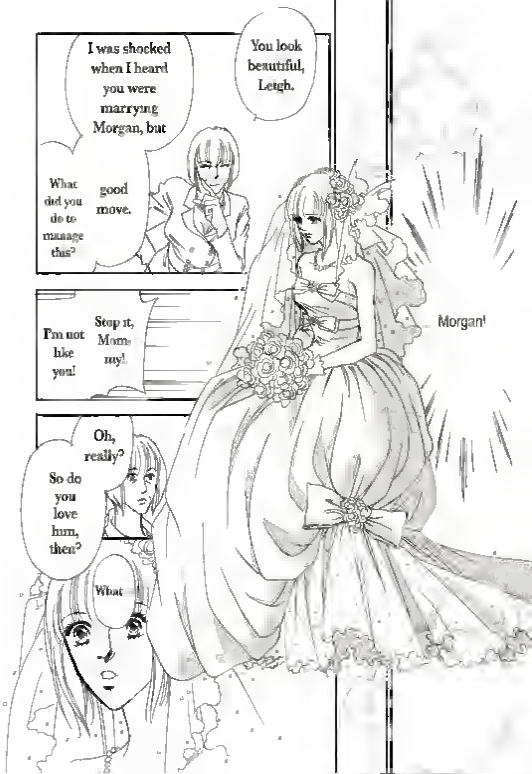
Huh
Da
Daddy...!
Argh

It must be our fault.
Stress
Try not to cause him too much stress.
His heart is a little...
Clack
Clack
Morgan.
I didn't know he had a bad heart.
But I'm sure if we explain that this morning was a misunderstanding...
This is terrible.
How's Daddy doing? Is he asleep?

Looks like we're going to have to get married.
Marry?
Why?
You did explain the situation properly, right?
Yeah.
I told him we were in love.
Love ...?
I had no choice.
Dad thought I seduced you and took advantage of you
Even if it's a lie, with that heart, I had to say something to assure him.

Trap...?
You really are a master at trapping people, Leigh.
—And then it came to me.
I just thought about it on the spot but Dad instantly believed me.
Are you happy that you reached your goal of marriage?
Was getting attacked last night all an act, too?
A trick to get me into bed with you?
And using Dad as a trump card! How could you?
What are you talking about, Morgan!

We'll get married.
For Dad.
How ?
How did this happen...?
But divorce the first chance I get.
Don't think that everything will go according to your plans!
Morgan...!



You look beautiful, Leigh.
I was shocked when I heard you were marrying Morgan, but
What did you do to manage this?
good move.
Morgan!
Stop it, Mom. my!
I'm not like you!
Oh, really?
So do you love him, then?
What

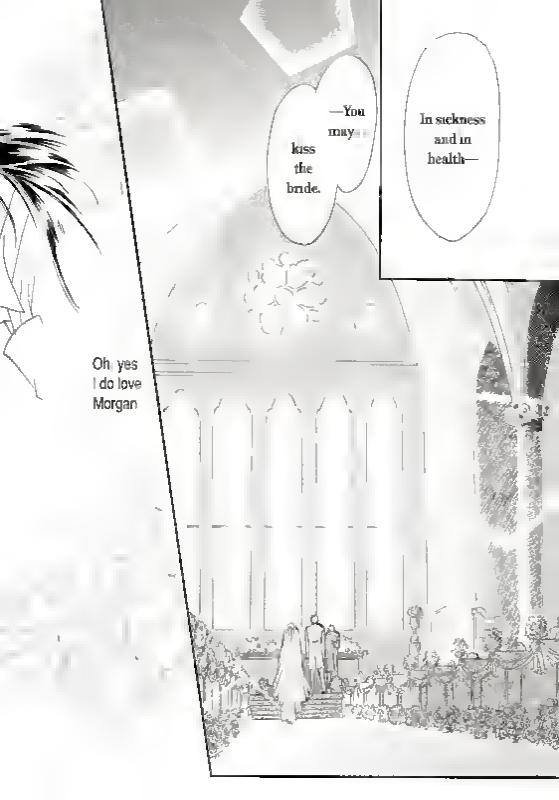
Wow, Leigh.
You're so beautiful, I could stare at you for hours.
Daddy...

Do I love Morgan...?
It's almost time.

How's your heart?
It's fine.
You should be thinking about your future, not an old man's health.

You love Morgan, right?
Come on, show me a smile.

Morgan?
Love
Me ?

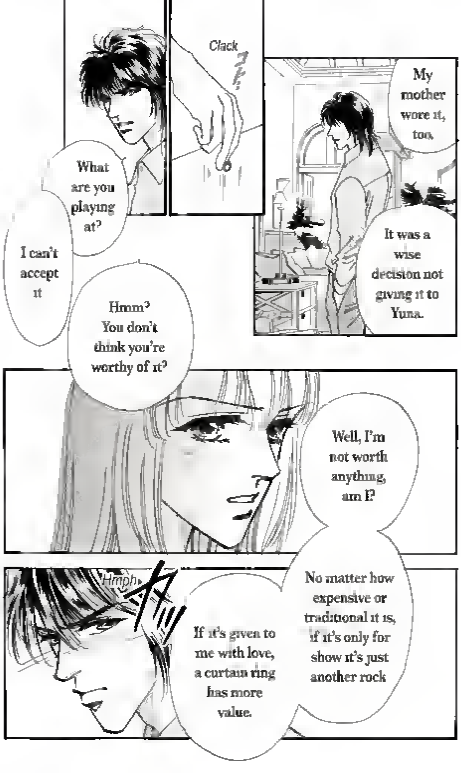


In sickness and in health—
—You may kiss the bride.
Oh, yes I do love Morgan

Why didn't I realize something so simple?
I love you, Morgan.
Everything changed from that day we kissed
Even if he misunderstands me or if he's cold to me
My feelings toward him won't change

Caribbean Sea
Morgan
I love you
Swoosh
How wonderful.
A cottage.
We have complete privacy here.
For three weeks we can—
うっ
Argh

Oh.
Complete honeymoon suite.
But it is our honeymoon.
No, it's not!
The wedding and honeymoon is all for show.
I expect you to give me back that ring when we get divorced
The ring
A huge emerald
An heirloom that's passed down the Fairfax family to the wife of the firstborn son



Clack
My mother wore it, too.
It was a wise decision not giving it to Yuna.
What are you playing at?
I can't accept it
Hmm? You don't think you're worthy of it?
Well, I'm not worth anything, am I?
Hmph
If it's given to me with love, a curtain ring has more value.
No matter how expensive or traditional it is, if it's only for show it's just another rock

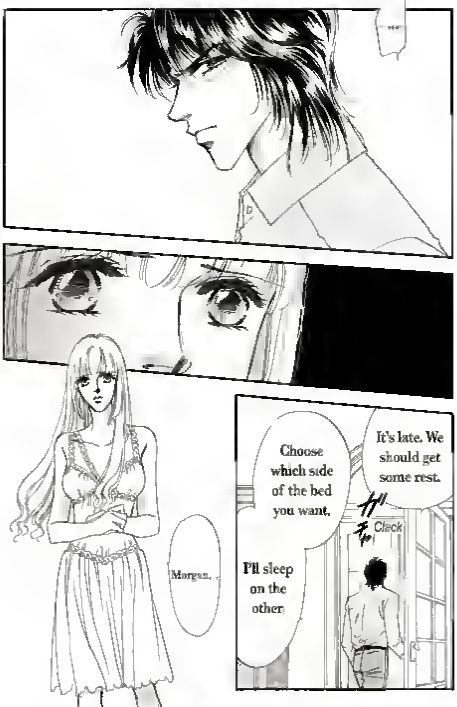
I don't love you, and I never will!
You said you loved me?
Morgan, why are you being so frantic?

Bam
Morgan...!

Huh
=Wisp?

There's enough charming women in the world,
but why do I lose control when I'm with you?
Why does this always happen?
Why does it have to be you?
Morgan...
You know exactly why.
We were so close, we didn't realize.
But now we know.
We love—
No!

You want me! You love me!
Why are you denying your own feelings?
No!
This is just lust.
I'm different from my dad!
I won't mistake lust for love.
I won't make the same mistake!
...You're scared, so you won't admit to loving me...?



Morgan...
It's late. We should get some rest.
Choose which side of the bed you want.
I'll sleep on the other.
Click

Shhhhh
Scared ?
Scuffle
Swoosh

Huh
Wh... What?
When did this happen?
He always sleeps naked!
Be more careful.
You, too!

Whatever.
I can have fun by myself?
What-ever you want.
What am I supposed to do?
You brought your work here?
Swoosh

Swoosh
Night
You're late!

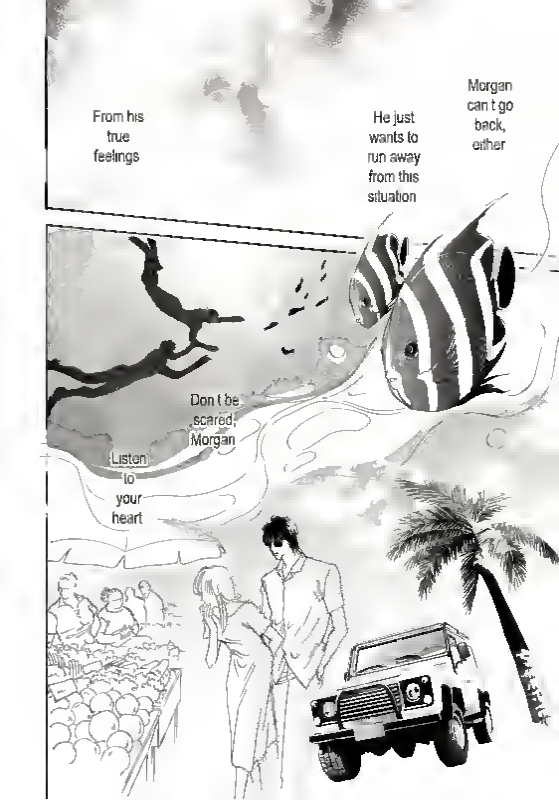
What kind of stuff?
Stuff I like to do!
I was worried. What were you doing?
Stuff
I thought I could do what I wanted
Hi.
Who's that?
Oh?

See what?
I was planning on seeing him, yes?
...I see.
And today?
I met him yesterday.
The next day we woke up clutching each other again
Hmph
How strange.

It's hot today
Are you going to meet that man again?
Can't you tell what men like him want from you?
He's not like that
Morgan!

Is he your husband?
Are you planning on taking the lesson together today?
Hey, Leigh.
Nick.
Lesson.
Why didn't you tell me he's an instructor?
You always jump to conclusions.
Always!
Just like that time with Gerald Vilis!

Fine.
Let's have a truce.
A truce?
Are we going to act like a married couple?
That's not possible
I can't, now I know I love you
Fine.
Not a married couple, brother and sister!
Like old times.
Joking with each other and hanging out.



From his true feelings
He just wants to run away from this situation
Morgan can t go back, either
Don t be scared, Morgan
Listen to your heart

Swoosh
I can touch him if I reach out
—But why are you so far away?

Does Morgan really plan to hold back,
Sigh
and treat me like a sister from now on?
Swoosh
2 Weeks After the Truce
Morgan.

For a second, I felt naked...
Huh
Ah...
Morgan wants me... So much
Was the truce just to hide it?
At this rate Morgan will end this honeymoon with his superhuman self-restraint.
Tricking me and himself...!

Scuffle
Thump
Morgan, can you rub suntan lotion on me?
Ye – Yeah
I'm so thirsty.

Scuffle

Morgan!
I built up courage to do something stupid like this
I'm the one who's going mad
Oh, what should I do?
Scuffle
Splash
Splash

Splash
Can you put some on me, too?

Click
Rustle
I can't take this anymore !!

So now we both understand.
We both want each other more than anything.
You've dragged out what I've been hiding.
This is dangerous, like playing with fire.
This is your last chance.
If you say stop, I won't touch you ever again.
What do you want?
You know I can't say no
Don't stop.

I've wanted you,
for a long time
Morgan.
I've always been yours.
From a long time ago.

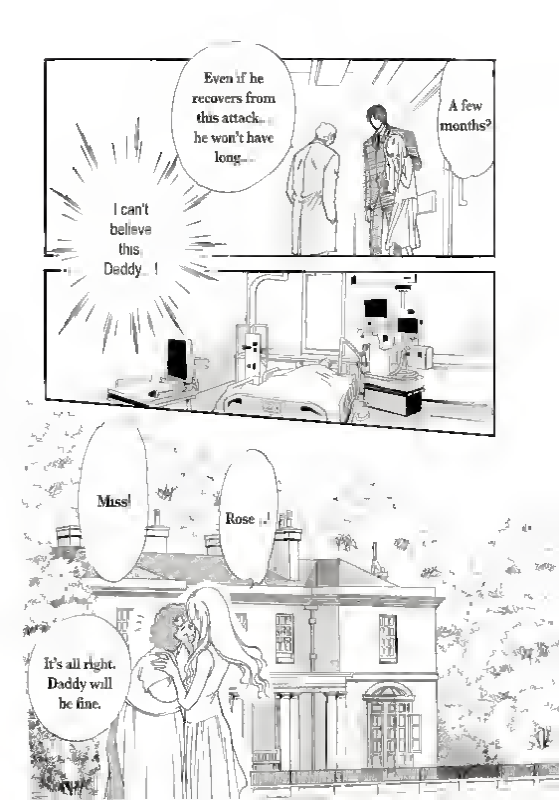
Hello?
Oh, Rose. What's wrong?

What? Dad collapsed?
Daddy!
It was so sudden
We left for England as soon as possible
The doctor's shocking words were waiting for us there
To tell you the truth, Ralph,
was diagnosed half a year ago with only a few months to live.



Even if he recovers from this attack... he won't have long...
A few months?
I can't believe this, Daddy...!
Miss!
Rose...!
It's all right. Daddy will be fine.

Our bedroom.
This is for newlyweds.
Daddy
It looks like he's stable.
You should get some rest.
You must be tired from traveling back
Yes…
It's been a long day…

Yeah... I woke a while ago.
Have you not slept?
Morgan...
Swoosh

Yes, it's before dawn
It's still dark outside.
Yeah, he'll be all right
Daddy will be fine, right?

Leigh.
I want every part of you

Morgan

Why, Leigh?
I don't understand you.

I won't share a bed with them, either
If I don't love them, then I don't want them.
Morgan
I had no idea. .it was your first time.
I just assumed you had done it with so many others.
I love you, Morgan.
Only you.
Leigh

Sorry to worry you guys so much.
I thought God could take me without anyone finding out.
It didn't go quite as planned
Daddy!
I wouldn't mind living a little longer
I get to see you guys happy together.
Sorry, I'm a little confused right now
Swoosh
Can you give me some time to think...?

Daddy
Ring
Ring
Take good care of her, Morgan.
I wish you all the best, Leigh.
2 months later, Daddy was taken by God
Mommy was crying, too.

Swoosh
She may have loved Daddy a lot more than we thought
A Few Months Later
I will read out the will.
Leigh, you look a little faint. Are you okay?
I'm just a little tired. Thanks.
I'm not sick, Morgan
There's a baby with us

Now, then,
I will read it out.
The house and land will go
to his son, Morgan, under certain conditions.
How will he react when I tell him?
The terms are...
A child?
bear a child in the next 2 years.
In other words,
to have a stable marriage with Leigh
Maybe he'll finally say
I love you.

all the inheritance is left to Leigh.
To Leigh?
have no child, with the exception of medical reasons,
or
you divorce within 2 years,
If
Oh!
To his wife, Yuna, he leaves the flat in London and twenty thousand pounds.
Oh, is that it?
Mommy!
Mommy!
But, Leigh! You did well!
Oh, well, it's better than nothing.
Only twenty thousand?

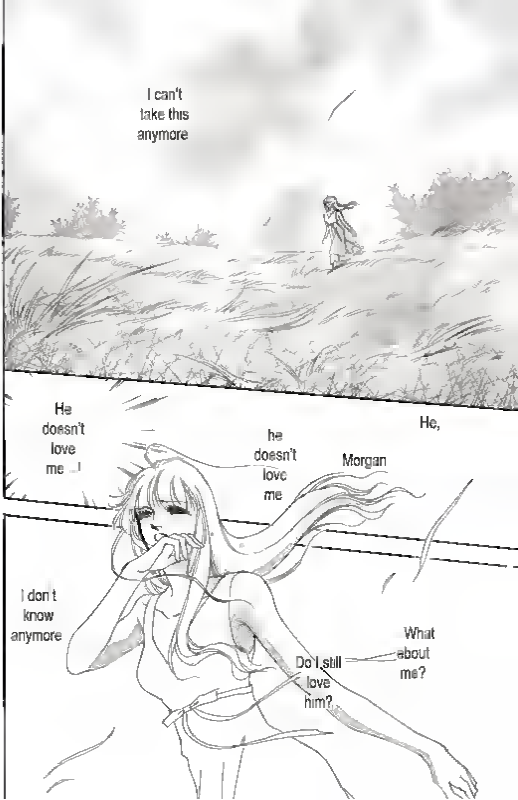
Morgan ..
So this was Yuna's plan all along.
I see what's going on here.
"You did well"?
Get us to marry,
then get Dad to write a will in favor of Leigh.
Some mother and daughter you are!
so you used your daughter to get the inheritance instead!
I didn't fall for you,

I get what I want myself
I'm not low enough to rely on my daughter
What are you saying?
Don't underestimate me.

I'm sorry, Morgan.
She has a foul mouth,
but you have to understand, neither of us are after the inheritance.
Being paranoid about such things
must be a punishment for rejecting me.
おっほっほっ
Ha Ha Ha
I feel better now
Bye, Leigh!
I hope you do well.

I married you because I love you.
Of course!
You really plan on living with me?
You plan on bearing my child?
That you're not after the fortune.
How can you prove it?
A child
Not because I want to prove I'm not after his fortune!
But that's because I love him.
Of course I want to bear his child.

I won't give birth, never...!
Leigh...!
Slam
. .Leigh .



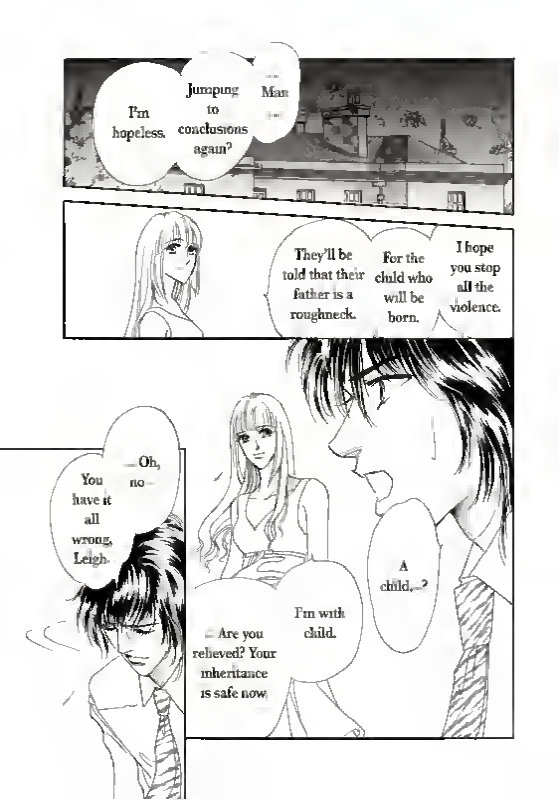
I can't take this anymore
He doesn't love me...!
he doesn't love me
Morgan
He,
I don't know anymore
Do I still love him?
What about me?

Leigh won t come back...
My heart aches so much...
Does she plan on coming back ?
...No
I said something so horrible she probably doesn't love me anymore
...I'm so stupid...

—But if
she was hurt or
Leigh!
Please be okay
Where are you? Are you okay?
You don't have to get hurt over me
I'm not worth it
Leigh !
Sorry Leigh !
Oh I'm sorry

Why is he here?
Toby?
Leigh!
Bam
Toby!
Morgan!

I thought you were taking Leigh away.
I'm so sorry.
Ouch
Toby happened to drive past so I asked him for a lift.
Daddy's church.
He was just taking me to the church.
Oh... Congratulations!
It's all thanks to Leigh's support.
I built up courage and asked Helen to marry me.
Married?
And Toby's going to get married.



I'm hopeless.
Jumping to conclusions again?
Man
They'll be told that their father is a roughneck.
For the child who will be born.
I hope you stop all the violence.
A child...?
I'm with child.
...Are you relieved? Your inheritance is safe now.
...Oh, no...
You have it all wrong, Leigh.

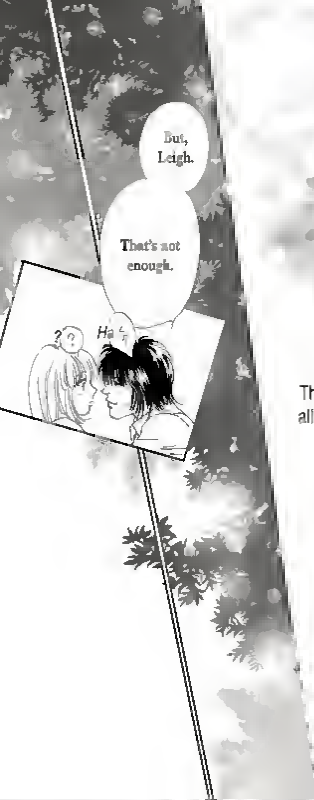
You were right about everything.
—I was an idiot...
Even if I misunderstood what happened between you and Gerald Vitis because of Yuna,
I never listened to what you had to say and made up my mind...
I didn't think I could forget about you otherwise—

I love you...
That's why I reached my limit in the Caribbean
I couldn't hold back anymore.
I didn't want to admit I loved you
I didn't want to make the same mistake as Dad
Admit I had no self control
But I had already hurt you so much,
I didn't have any confidence.
When I found out you didn't need me after Dad's will was read out,
I thought you might leave me. I was scared.

Morgan...
I just wanted you to stay.
I didn't care about the inheritance.
I thought if we had a child, you would stay with me.
—That's the only thing I was thinking.
Oh, stupid.
Did you not think about simply telling me you loved me?

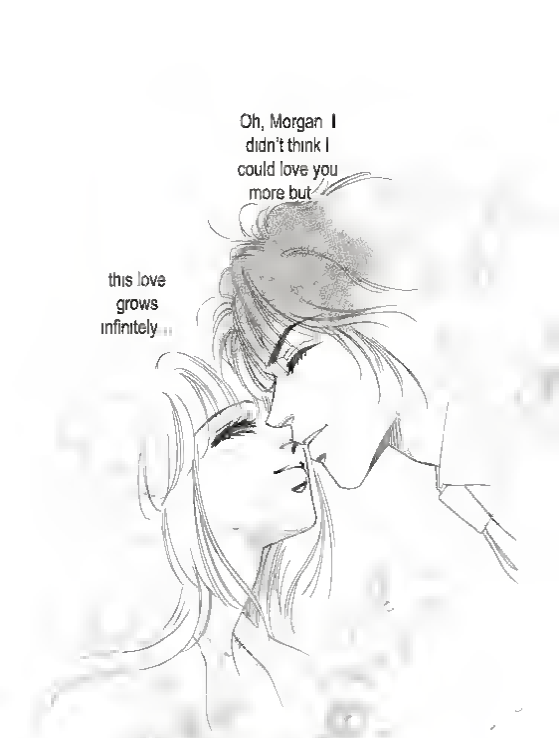
—That's not enough.
Ha
Tell me you love me and kiss me.
—That's all I need
It is enough
That's all I need

...Oh, Leigh...
I love you.
—From the bottom of my heart.
From a long time ago...
What a kind kiss



This must be all of the love in your heart.

What is this?
It looks like brass rings
Ha
"If it's given to me with love, a curtain ring has more value."
—Oh!
Curtain rings!



Something from the Heart The End
